This is a template for an abstract submission to the IAU Commission B1 newsletter. If you wish to share some more voluminous items, make them available on the web and provide the corresponding URLs as `href command` or `\url command`: http://www.icehap.chiba-u.jp/IAU_B1/index.html. If you wish to include some other information that is not included here, please, feel free to do so, but keep an abstract one page long.
